

16. (Survey in Connection With Morro Bay Lease - County of San Luis Obispo - No. P. R. C. 233) The Commission was informed that the San Luis Obispo County Engineer desires to resurvey Tideland Surveys Nos. 10 and 14, San Luis Obispo County, in connection with the determination of the boundaries of the upper portion of Morro Bay heretofore leased to the County of San Luis Obispo. Such survey costs are properly chargeable under the Public Resources Code to the owners of the land involved, but due to present difficulty in obtaining immediate agreement from the land owners, it has been suggested that the County assume the costs until collections from the land owners can be made, and that in the event that there are any uncollectible survey costs, that the State permit an offset credit under Lease No. P. R. C. 233.

Upon motion duly made and unanimously carried, a resolution was adopted to reimburse the County of San Luis Obispo for any uncollectable survey costs resulting from the resurvey of Tideland Surveys Nos. 10 and 14 by credit against rent under Lease No. P.
