UPON MOTION DULY MADE AND UNANIMOUSLY CARRIED, A RESOLUTION WAS ADOPTED AUTHORIZING THE EXECUTIVE OFFICER TO ISSUE TO F. A. KILNER AND L. W. Research is under way toward determination of the extent of State ownership of the lands beneath the waters of Lake Tahoe and lakeward of the meander line as surveyed by the U. S. General Land Office. A field survey of the shores of the lake was started in 1950, but due to the high water level in 1951 cannot be completed before 1952. A two-year permit is considered advisable as an interim procedure pending completion of the research and field survey. Filing fee and permit fee have been paid.
