9. (SALE OF VACANT SCHOOL LAND, APPLICATION NO. 4865, SACRAMENTO LAND DISTRICT, TEHAMA COUNTY, M. LEE BRADEN AND DOLLY L. BRADEN - S.W.O. 5450.) An offer has been received from M. Lee Braden and Dolly L. Braden of Flatina, Shasta County, California, to purchase the NE $\frac{1}{2}$ of Section 36, T. 29 N., R. 9 W., M.D.M., containing 320 acres in Tehama County. The applicants have made an offer of \$640, or \$2 per acre.

The Assessor of Tehama County has assessed contiguous lands at \$1.50 per acre, thus indicating the appraised value of those lands to be \$3 per acre. However, the contiguous land has a perennial creek and is better for grazing. An inspection and appraisal by a member of the Commission's Staff on September 8, 1952, indicated that the offer as made is adequate.

The subject land is mountainous and cut by canyons, at an elevation of from 1600 to 2000 feet, and is not suitable for agriculture without artificial irrigation. The soil is shallow and of third quality. About 80 acres of the land supports scattering digger pine and scrub oak; the balance of the land is covered with dense greasewood brush. The land has fair grazing value about one month of the year, usually during May, and is accessible by an existing road. The applicants own adjacent land.

The land was advertised for sale with a stipulation that no offer of less than \$640 would be accepted. The applicants bid \$640. No other application for said land was received pursuant to the advertising.

UPON MOTION DULY MADE AND UNANIMOUSLY CARRIED, A RESOLUTION WAS ADOPTED AUTHORIZING THE SALE OF THE NE $\frac{1}{2}$ OF SECTION 36, T. 29 N., R. 9 W., M.D.M., CONTAINING 320 ACRES IN TEHAMA COUNTY, TO THE SINGLE BIDDERS, M. LEE BRADEN AND DOLLY L. BRADEN, AT A CASH PRICE OF \$640, SUBJECT TO ALL STATUTORY RESERVATIONS INCLUDING MINERALS.
