#### STATE LANDS COMMISSION

31. (SALARY INCREASE FOR POSITION OF EXECUTIVE OFFICER - PERSONNEL.) Mr. Dean stated that it is the responsibility of the Department of Finance, together with the State Personnel Board, to investigate and make careful checks on salaries, with particular reference to exempt positions such as that of Executive Officer of the State Lands Commission. He reported that the latest study on this basis shows that the salary of the Executive Officer should be in the bracket \$745-905.

UPON MOTION DULY MADE AND UNANIMOUSLY CARRIED, IT WAS RESOLVED AS FOLLOWS:

The salary range for the position Executive Officer, State Lands Commission - Department of Finance, is revised from \$676-821 to \$745-905, effective January 1, 1953, and the incumbent in the position, Rufus W. Putnam, shall retain his present salary step in the new range established.

32. (SUMMARY OF LEGISLATION 1953 - W.O. 1141.) Discussion was had on A.B. 3481, re San Francisco city streets, and Mr. Dean commented that he felt the bill

should be clarified to provide that land under public streets can be used by the City as long as it is used for street purposes, but that when such use ceased it would revert to the State, and that it cannot be sold for private use.

The following progress report was made to the Commission on 1953 Legislation, original report on which was made at the meeting of February 9, 1953 (Item 27, Minute Pages 1740-1763). On bills not noted in this report no legislative action has occurred. New bills not heretofore reported are designated thus: \*
