

per acre, thus indicating the appraised value of such lands to be \$2 per acre.

The subject land was appraised by a member of the Commission's Staff at \$5 per acre. The only value of the land is for use as a cabin site. The applicant now has a cabin on the land, which she uses for a summer home.

The State's application to select the land on behalf of the State applicant, Barbara L. Bowman, has been accepted by the Bureau of Land Management, subject to future approval and listing.

The rules and regulations and legal requirements of the State and Federal Government have been complied with, and it is expected that the subject land will be listed (conveyed) to the State at an early date.

UPON MOTION DULY MADE AND UNANIMOUSLY CARRIED, IT WAS RESOLVED AS FOLLOWS:

The sale is authorized of the E $\frac{1}{2}$ of SE $\frac{1}{4}$ of Section 3, T. 14 N., R. 7 W., M.D.M., containing 80 acres in Lake County, to Mrs. Barbara L. Bowman at the appraised cash price of \$400, subject to all statutory reservations including minerals, upon the listing (conveyance) of said land to the State by the Federal Government.

8. (SALE OF VACANT FEDERAL LAND, OBTAINED THROUGH USE OF BASE, SCRIP APPLICATION NO. 10494, LOS ANGELES LAND DISTRICT, IMPERIAL COUNTY, RAYMOND H. CLITHERO. S.W.O. 5351.) An offer has been received from Mr. Raymond H. Clithero of Long Beach, California, to purchase Lots 5, 6 and 7 of Section 26, and Lots 11 and 12 of Section 27 (all in Tract 56), T. 16 S., R. 9 E., S.B.M., containing 159.86 acres in Imperial County. This land may be obtained by the State from the Federal Government through use of base. The minimum price for scrip for this type of land has been set heretofore at \$5 per acre. Mr. Clithero has made an offer of \$799.30, or \$5 per acre.

The Assessor of Imperial County has assessed contiguous lands at \$1 per acre, thus indicating the appraised value of the lands applied for to be \$2 per acre. The subject lands are of about the same character as the contiguous lands.

The subject lands were appraised by a member of the Commission's Staff at \$5 per acre.

The subject land is sandy, flat, and nearly level. The soil is of second quality and supports a sparse growth of Ohollo Cactus and scattered Ocotillo. The land is poor grazing land, but water would probably be available if a well were dug. A desert community with wells for domestic water is one-half mile east. A graded desert road lies about 150 feet south of the lands applied for.

The State's application to select the subject lands on behalf of the State applicant, Raymond H. Clithero, has been accepted by the Bureau of Land Management, subject to future approval and listing.

9. (SALE OF VACANT FEDERAL LAND, OBTAINED THROUGH USE OF BASE, SCRIP APPLICATION NO. 10489, LOS ANGELES LAND DISTRICT, IMPERIAL COUNTY, RAYMOND H. CLITHERO - S.W.O. 5311.) An offer has been received from Mr. Raymond H. Clithero of Long Beach, California, to purchase Tract 74 (Sections 31 and 36), T. 16 S., Ranges 9 and 10 E., S.B.M., containing 75.23 acres in Imperial County. This land may be obtained by the State from the Federal Government through use of base. The minimum price for scrip for this type of land has been set heretofore at \$5 per acre. Mr. Clithero has made an offer of \$376.15, or \$5 per acre.

The Assessor of Imperial County has assessed contiguous lands at \$1 per acre, thus indicating the appraised value of the land applied for to be \$2 per acre. The subject land is of about the same character as the contiguous lands.

The subject land was appraised by a member of the Commission's Staff at \$5 per acre.

The subject land is largely sandy and partially covered by scattered rock. The soil is of third quality and supports a very sparse growth of Chollo Cactus, Ocotillo and some greasewood. The land is poor for grazing, but water would probably be available if a well were dug. The land is not accessible by an existing road, but a graded desert road passes the land at a distance of 200 to 300 feet to the south. The San Diego and Arizona Eastern Railway crosses the land. A railway well, water tank and service building, and an electric transmission line are also on the land.

The State's application to select the subject land on behalf of the State applicant, Raymond H. Clithero, has been accepted by the Bureau of Land Management, subject to future approval and listing.
