An offer has been received from Clyde D. Horner of San Francisco, California, to purchase Lots 1, 2, 3, 6, 7, 8, 9, 10, 11, 14, 15 and 16, and NE $\frac{1}{4}$ of Section 7, T. 11 N., R. 8 W., M.D.M., containing 640 acres in Sonoma County. The soil is of second and third quality and supports scattering fir, dense chaparral and chamisal. It is poor grazing land, supports a stream (Squaw Creek) and is accessible by an existing private road with three locked gates. The only value is for hunting and watershed protection.
