

THE EXECUTIVE OFFICER IS AUTHORIZED TO ISSUE A PERMIT TO THE WESTERN GULF OIL COMPANY FOR THE CONDUCT OF SUBMARINE GEOPHYSICAL EXPLORATION OPERATIONS ON THOSE TIDE AND SUBMERGED LANDS UNDER THE JURISDICTION OF THE STATE LANDS COMMISSION LYING OFFSHORE BETWEEN A LINE DRAWN DUE SOUTH FROM POINT CONCEPTION, SANTA BARBARA COUNTY, AND THE PROJECTION SEAWARD OF THE CALIFORNIA-OREGON BORDER, FOR A PERIOD OF 90 DAYS FROM MAY 1, 1954, THE PERMITTEE TO REIMBURSE THE DIVISION OF STATE LANDS FOR ALL OF ITS INSPECTION COSTS. THIS PERMIT IS TO BE EFFECTIVE ONLY AS LONG AS A CONCURRENT PERMIT BY THE FISH AND GAME COMMISSION IS IN EFFECT FOR THE SAME OPERATING AREA.

11. (MINOR STRUCTURE PERMITS - W.O. 1087.) The Executive Officer reported to the Commission that he believed certain changes were advisable with reference to the schedule of fees or rentals previously established for minor structures, including buoys, moorings, floating equipment, small boat landings, boathouses, etc., having in mind objections raised at the meeting of the Commission on March 26, 1954, by owners of structures in Lake Tahoe connected with resort developments on the upland. While no formal action was taken by the Commission, it was suggested that this matter be presented to the Commission subsequent to the conference already scheduled by the Executive Officer with the Lake Tahoe-Sierra Chamber of Commerce on May 14, 1954.

12. (ACQUISITION BY THE UNITED STATES OF LANDS OCCUPIED BY AN ANNEX TO THE U. S. NAVAL AIR STATION, ALAMEDA, ALAMEDA COUNTY, CALIFORNIA, UNDER THE PROVISIONS OF SECTION 126, GOVERNMENT CODE - W.O. 1470.) On June 13, 1953, an application for acceptance of jurisdiction by the United States of the lands pertaining to this installation was executed by R. B. Anderson, Secretary of the Navy, and received in the office of the Division of State Lands on June 19, 1953.

On July 2, 1953 (Minute Item 17, pages 1831-32), the Commission authorized the Executive Officer to order and conduct the requisite hearing pursuant to Section 126 of the Government Code and under Article 7 of the Rules and Regulations adopted by the Commission on August 29, 1951 (Minute Item 47, page 1441), on an application for consent to acquisition by the United States of lands used for additional storage facilities at the U. S. Naval Air Station, Alameda, California; the proceedings and determination of such hearing to be reported to the Commission for final consideration and action.

Pursuant to said application, arrangements were made to conduct the requisite public hearing at San Francisco, California, in the State Building, on November 18, 1953.

The notice of such public hearing was published in the Oakland Tribune, Oakland, California, on November 2, 1953, and service on the Clerk of the Board of Supervisors of Alameda County was made on October 28, 1953. Notices were thus published and served in compliance with Section 2602, California Administrative Code, Title 2.

A hearing was held by the Executive Officer at Room 606 State Building, San Francisco, California, beginning at 9:30 a.m., November 18, 1953. A record

of the hearing was made, and the transcript was made a part of the Commission's record in this case. The Attorney General was represented by Mr. Herbert E. Wenig, Deputy Attorney General.

Appearances were made on behalf of the applicant by Mr. James L. McNally, Attorney Adviser, Twelfth Naval District; by Commander Robert F. Farrington, U. S. Navy, Executive Officer, U. S. Naval Air Station, Alameda.

Section 126 of the Government Code requires that the State Lands Commission must have found and declared to have occurred and to exist the fulfillment of certain specified conditions. Oral and documentary evidence was presented and received at the hearing in support of the contention of the applicant that these conditions have been met and complied with. Conclusions in regard to the presentation are as follows:

Evidence was presented at the hearing to the effect that the acquisition was made for the "erection of forts, magazines, arsenals, dockyards, and other needful buildings within the purview of Clause 17, Section 8, Article I of the Constitution of the United States." According to that evidence the primary mission of the Naval Air Station is to maintain and operate a base for units of the naval aeronautical establishment to serve as a primary aviation supply point, including an aeronautical outfitting and assembly point, and to provide facilities for the operation, servicing, overhauling, assembly, and repair of aircraft, and for the quartering and messing of military personnel.

The second condition requires that a finding must be made that "the acquisition must be pursuant to and in compliance with the laws of the United States." The property was acquired by the United States in a condemnation action entitled "United States of America vs. 76.15 acres of land in the City of Alameda, Regents of the University of California, Defendants", Action No. 30735 in the District Court of the United States for the Northern District of California, Southern Division. The property was acquired pursuant to authorization contained in Public Law 910 of the 81st Congress, approved January 6, 1951, and funds were appropriated by Public Law 911 of that Congress. On December 13, 1951, a Declaration of Taking was filed in the condemnation action describing the subject property by metes and bounds and by a map attached thereto, and judgment was duly entered thereon. With the Declaration of Taking there was deposited to the Registry of the Court the amount of just compensation estimated to be due for the property taken. Thus, the requirements of the Declaration of Taking statute, as contained in Title 40, Section 258A of the U. S. Code, were complied with and all requirements to vest fee title in the United States were fulfilled.

A copy of the Certificate of Title, of the Declaration of Taking and Judgment thereon, and of the Judgment on Award were filed with the Commission. It was further established that the United States is vested in a good and sufficient title in fee simple to the subject lands.

The third condition upon which a finding is required is to the effect that "the United States must in writing have assented to acceptance of jurisdiction over the lands upon and subject to each and all of the conditions and reservations in this section prescribed." Under the provisions of an Act of Congress of October 9, 1940, Public Law 825, "the head or other authorized officer of any department of the Government" may accept jurisdiction from the State. A letter from the Secretary of the Navy accepting jurisdiction over the subject installation on behalf of the United States and signed by him (R. B. Anderson) was received by the Division of State Lands on June 19, 1953. The Deputy Attorney General pointed out some defects in the form of acceptance which were remedied by letter, dated March 22, 1954, signed by the Secretary of the Navy. (Exhibit "F" of the Transcript.) This acceptance is made subject to each and all of the conditions and reservations prescribed in Section 126, Government Code, State of California, as amended, as of June 13, 1953, and is, therefore, in accordance with law and with the Rules and Regulations of the Commission.

The fourth requirement is that the Commission must have found and declared that the acquisition is in the interest of the State. Testimony was presented to the effect that the Naval Air Station employs approximately 8,500 people. A large part of personnel rent or own homes in that area, resulting in economic benefits to the community and to the State in general.

The monthly payroll amounts to approximately four million dollars. The Station has its own police and fire protection forces, thereby relieving the state, city and county of the cost of maintaining these services in this area.

No appearances were made in opposition to the request of the Navy.

SUMMARY

The hearing on this case was held at the State Building, San Francisco, California, on November 18, 1953, pursuant to Commission authority. The findings of the hearing officer are as follows:

1. The property involves 76.15 acres of land acquired by the United States for an extension of the Naval Air Station, Alameda, California. The acquisition comes within the purview of Clause 17, Section 8, Article I, of the Constitution of the United States, which requires that it be "for the erection of forts, magazines, arsenals, dockyards and other needful buildings or other public purposes"; therefore, in this respect, the acquisition complies with the provisions of Section 126 of the Government Code.
2. The acquisition was by condemnation, and was made pursuant to the laws of the United States. The United States is vested with a good and sufficient title in fee simple to the subject lands.
3. The United States, through the Secretary of the Navy, has assented to acquisition of jurisdiction subject to all conditions of Section 126 of the Government Code, State of California, as amended, as of June 13, 1953.

4. The acquisition is in the interest of the State in view of its value for national defense and of its continuing substantial contributions to State economy.
5. All requirements of Section 126 of the Government Code of the State of California have been complied with by the applicant and by the State Lands Commission and its staff.

UPON MOTION DULY MADE AND UNANIMOUSLY CARRIED, IT WAS RESOLVED AS FOLLOWS:

THE STATE LANDS COMMISSION FINDS AND DECLARES WITH RESPECT TO THOSE CERTAIN LANDS ACQUIRED BY THE UNITED STATES AND NOW USED BY THE DEPARTMENT OF THE NAVY AS AN ADDITION TO THE NAVAL AIR STATION AT ALAMEDA, ALAMEDA COUNTY, CALIFORNIA, SAID LANDS BEING DESCRIBED IN EXHIBIT "A" ATTACHED HERETO AND MADE A PART HEREOF, THAT THE CONDITIONS PRESCRIBED IN SUBDIVISIONS (a), (b), AND (c) OF SECTION 126 OF THE GOVERNMENT CODE OF THE STATE OF CALIFORNIA, HAVE BEEN FOUND TO HAVE OCCURRED AND TO EXIST AND THAT SUCH ACQUISITION IS IN THE INTEREST OF THE STATE; FURTHER, THAT THE EXECUTIVE OFFICER IS DIRECTED TO FILE A CERTIFIED COPY OF THIS FINDING IN THE OFFICE OF THE SECRETARY OF STATE AND TO HAVE ONE RECORDED IN THE OFFICE OF THE COUNTY RECORDER OF THE COUNTY OF ALAMEDA.
