

14. (PROPOSED PURCHASE OF FEDERAL LANDS, KERN COUNTY, ROBERT H. THOMPSON - S.W.O. 5400.) On November 23, 1951, Mr. Robert H. Thompson of Inyokern, California, made application to purchase through this office the $W\frac{1}{2}$ of $SE\frac{1}{4}$ of Section 7, and $N\frac{1}{2}$ of $NE\frac{1}{4}$ of Section 18, T. 26 S., R. 37 E., M.D.M., containing 160 acres in Kern County. The applicant deposited the minimum acceptable deposit of \$5 per acre, pending appraisal, together with the required expense deposit of \$100 and the filing fee of \$5.

The State indemnity application to select said lands on behalf of Mr. Thompson was rejected by the Bureau of Land Management for the reason that the lands were embraced in Stock Driveway Withdrawal No. 235, dated January 21, 1933. On December 9, 1952, Stock Driveway Withdrawal No. 235 was reduced and the subject land was restored to entry.

Following discussions between a member of the Staff and the Regional Officer of the Bureau of Land Management, it was determined that the most expeditious manner in which to acquire the land for Mr. Thompson was through the medium of an exchange under Section 8 of the Taylor Grazing Act. Therefore, an exchange application, which is the subject of the following calendar item, was made under the provisions of Section 8 of the Taylor Grazing Act.

On October 1, 1953, the Bureau of Land Management at Washington, D. C., advised that the selected lands are available for exchange and that the values of the selected and offered lands are approximately equal for the purpose of the exchange; that there are no outstanding contests or protests of record; that the requirements pertaining to the application have been met and publication of the exchange is therefore authorized pursuant to Order No. 473 of August 27, 1952 (17 F.R. 7884).

In accordance with instructions from the Bureau of Land Management, the notice of the exchange application describing both the Government lands and the State lands was published for the required period in the newspaper designated by the Bureau of Land Management.

It is now necessary for the State to convey to the Federal Government, by grant deed, the 160 acres of State lands offered in exchange.

The Assessor of Kern County has assessed lands in the vicinity at \$1.50 per acre. An inspection and appraisal was made by a member of the Staff on April 19, 1953. This appraisal, on file with the Commission, sets the value of the land at \$5 per acre.

UPON MOTION DULY MADE AND UNANIMOUSLY CARRIED, IT WAS RESOLVED AS FOLLOWS:
