

"The Assessor of Colusa County has assessed contiguous land from \$2.15 to \$3.35 per acre, thus indicating its appraised value to be from \$4.30 to \$6.70 per acre.

"An inspection and appraisal by a member of the Commission's staff on May 5, 1955 establishes the value of the subject land at \$10 per acre. Mr. Smith posted the necessary amount to meet this value. Said appraisal also indicates that the land is not suitable for cultivation without artificial irrigation.

"The State's application to select the land has been accepted by the Bureau of Land Management, subject to future approval and listing."
