1. (OIL AND GAS LEASE APPLICATION, ST. ANTHONY OIL CORPORATION, SANTA BARBARA COUNTY - W. O. 2046.) The following report was presented to the Commission:

"On January 19, 1956 (Minute Trem 5, pages 2534-37) the Commission directed the Executive Officer to continue with the processing of the consideration of offering for oil and gas lease tide and submerged lands at Summerland, Santa Barbara County, as initiated under W. 0. 2046.

"In accordance with Section 6873.2, Public Resources Code, and runsuant to request by the County of Santa Berbara, the requisite public hearing relative to the area to be considered for lease was held January 11, 1956. Section 6873.2, Public Resources Code, also provides in part that 'within thirty (30) days after such hearing the commission

- 1. Ishall determine to offer the land for lease, as provided under Sections 6871.3, 6872 and 6872.1, unless it
- 2. 'shall determine that the issuance of a lease as to all or part of such land would result in an impairment or interference with the developed shoreline, recreational or residential areas adjacent to the proposed leased acreage, or'
- 3. 'may determine to offer such land for lease as to all or part thereof and include in the offer for lease such reasonable rules and regulations which, in the opinion of the commission, are necessary for the exploration, development and operation of said lease in a manner which will not impair or interfere with said developed shoreline, recreational or residential areas; provided however, that no tide or submerged lands should be offered for lease under any conditions, rules, or regulations which will result in a discrimination between bidders, as provided by Section 6874,'
