

MINUTE ITEM

20. APPROVAL OF MAPS OF THE SURVEY OF THE ORDINARY HIGH WATER MARK ALONG THE RIGHT BANK OF PETALUMA CREEK, MARIN COUNTY, CALIFORNIA - W.O. 2903, GEO.-MARIN CO.

Following presentation of Calendar Item 24 attached, the Executive Officer outlined the specific full-time assignment of a Survey Crew of the State Lands Division to determine boundaries of State-owned water areas adjacent to privately owned uplands, and explained that the Crew has a tremendous backlog of work.

In response to a question by the Chairman, the Executive Officer stated that the adjoining upland owners knew of this specific survey, and, although they may not necessarily agree with it, there could not be any effective court contest until the survey had been filed for record.

UPON MOTION MADE BY COMMISSIONER CRANSTON, DULY SECONDED, AND CARRIED, THE FOLLOWING RESOLUTION WAS ADOPTED:

THE EXECUTIVE OFFICER IS AUTHORIZED TO APPROVE AND HAVE RECORDED SHEETS 1 THROUGH 7 OF 7 OF THE MAPS ENTITLED "MAP OF THE ORDINARY HIGH WATER MARK ON THE RIGHT BANK OF PETALUMA CREEK, MARIN COUNTY, CALIFORNIA", DATED AUGUST-NOVEMBER, 1958.

CALENDAR ITEM

24.

APPROVAL OF MAPS OF THE SURVEY OF THE ORDINARY HIGH WATER MARK ALONG THE RIGHT BANK OF PETALUMA CREEK, MARIN COUNTY, CALIFORNIA - W.O. 2903.

A survey has been made to establish the boundary of State lands along the right bank of Petaluma Creek from San Antonio Creek south to the State Highway 37 Bridge. Because of the construction of levees and dredging, several property owners are concerned about their present boundary lines in this section.

IT IS RECOMMENDED THAT THE EXECUTIVE OFFICER BE AUTHORIZED TO APPROVE AND HAVE RECORDED SHEETS 1 THROUGH 7 OF 7 OF THE MAPS ENTITLED "MAP OF THE ORDINARY HIGH WATER MARK ON THE RIGHT BANK OF PETALUMA CREEK, MARIN COUNTY, CALIFORNIA", DATED AUGUST-NOVEMBER, 1958.
