SALARY OF THE EXECUTIVE OFFICER, STATE LANDS COMMISSION - PERSONNEL.

Item No. 275, Chap. 11/60, of the Governor's Budget provides for a salary increase, effective July 1, 1960, for each State officer and employee upon authorization of allocations by the Department of Finance. Item No. 275 does not automatically affect the salaries for positions exempt from State Civil Service, such as Executive Officer, State Lands Commission. In accordance with the State Constitution, salaries of State officers and employees may not be adjusted retroactively.

In view of the salary adjustment being granted State employees generally, the Commission may wish to give consideration to the salary of the Executive Officer after having reviewed salary adjustments allowed by the State Personnel Board for comparable classes. Before an adjustment of the Executive Officer's salary can be made, the Commission will require information as to adjustments made by the Department of Finance in the salary range for the classification Executive Officer. In order to provide for review of this matter,

IT IS RECOMMENDED THAT THE SALARY FOR THE POSITION OF EXECUTIVE OFFICER, STATE LANDS COMMISSION, BE DECLARED "OPEN FOR ADJUSTMENT" AS OF JULY 1, 1960.
