APPLICATION FOR APPROVAL OF AMENDMENT OF PERMIT P.R.C. 2585.9 TO PROVIDE AN ADDITIONAL AREA OF TIDE AND SUBMERGED LANDS OF THE SACRAMENTO RIVER, WESTERLY OF PITTSBURG, CONTRA COSTA COUNTY, FOR INSTALLATION OF AN EXPANDED CURRENT-METER SUPPORT SYSTEM, DEPARTMENT OF WATER RESOURCES - W.O. 4024.

Permit P.R.C. 2585.9 was issued to the Department of Water Resources on June 1, 1960, for three years, for the installation of two current meters and the necessary appurtenances on tide and submerged lands of the Sacramento River, westerly of Pittsburg, Contra Costa County.

The Department of Water Resources has requested that Permit P.R.C. 2585.9 be amended to enlarge the area of the existing permit in order to accommodate an expansion of the present system from two meters to 16 current-meter support systems. The current meters provide a continuous record of current velocities to help determine the net outflow of water from the Sacramento-San Joaquin Delta. The meters would be arranged on 175-foot centers (excepting a 300-foot opening for a ship channel) on the Sacramento River between Mallard Island and Chipps Island, southwest of Pittsburg (see Exhibit "A"). The additional meters will be arranged along the same north-south line as the original installation. The additional area is also needed for submarine cables and U. S. Coast Guard lighted marker buoys on the easterly and westerly approaches as a protection to navigation.

IT IS RECOMMENDED THAT THE EXECUTIVE OFFICER BE AUTHORIZED TO AMEND PERMIT P.R.C. 2585.9, BY REVISION OF THE LEGAL DESCRIPTION, TO PERMIT THE USE BY THE DEPARTMENT OF WATER RESOURCES OF AN ADDITIONAL AREA OF TIDE AND SUBMERGED LANDS OF THE SACRAMENTO RIVER WEST OF PITTSBURG FOR THE PURPOSE OF EXPANDING CURRENT-METER INSTALLATIONS, TOGETHER WITH APPURTENANT SUBMARINE CABLES AND MARKER BUOYS, TO 16 UNITS. ALL OTHER TERMS AND CONDITIONS OF THE PERMIT ARE TO REMAIN UNCHANGED. THE LAND DESCRIPTION IN PERMIT P.R.C. 2585.9 IS TO BE AMENDED TO READ AS FOLLOWS:

A PORTION OF THE BED OF THE SACRAMENTO RIVER BETWEEN MALLARD ISLAND AND CHIPPS ISLAND IN CONTRA COSTA AND SOLANO COUNTIES, AND MORE PARTICULARLY DESCRIBED AS FOLLOWS:
