16.

APPLICATION FOR MINERAL EXTRACTION LEASE, STATE SCHOOL LANDS, IMPERIAL COUNTY;
S. E. RYERSON AND F. EUGENE PINNER - W.O. 4341.

An application has been received from S. E. Ryerson and F. Eugene Pinner, joint venturers, requesting that an area of 80 acres of State school land near Brawley, Imperial County, be offered for lease for the extraction of sand and gravel, pursuant to competitive public bidding, in accordance with the provisions of Division 6 of the Public Resources Code.

The area included in the application is former State school land patented March 21, 1960. The patent reserved all minerals to the State of California, and provided for the State and persons authorized by it to prospect for, mine and remove mineral deposits, and to occupy and use so much of the surface of the land as may be required for all purposes reasonably extending to the mining and removal of deposits therefrom.

The office of the Attorney General has advised that the application complies with applicable laws and the rules and regulations of the Commission and has further advised that the 1961 amendment to Section 6401, Public Resources Code, which provides for compensation to the surface owner for damage and injury resulting from mineral operations, is not applicable to this parcel since the surface patent was issued prior to the effective date of the amendment.

The statutory filing fee has been paid, and the required expense deposit has been made.

IT IS RECOMMENDED THAT THE COMMISSION AUTHORIZE THE EXECUTIVE OFFICER TO OFFER FOR LEASE, PURSUANT TO COMPETITIVE PUBLIC BIDDING, FOR THE EXTRACTION OF SAND AND GRAVEL AT A MINIMUM ROYALTY OF TEN CENTS PER CUBIC YARD FOR ALL SAND AND GRAVEL EXTRACTED, THE FOLLOWING AREA OF STATE SCHOOL LANDS IN IMPERIAL COUNTY:

$E\frac{1}{2}$ OF $SE\frac{1}{4}$ OF SECTION 16, T. 13 S., R. 16 E., S.B.B.& M., IMPERIAL COUNTY.

THE BID-LEASE FORM AUTHORIZED FOR THIS PARCEL SHALL BE THE FORM APPROVED BY THE ATTORNEY GENERAL ON MARCH 27, 1950.
