MODIFICATION OF DREDGING PERMIT, SACRAMENTO RIVER, YOLO COUNTY, LEONARD ELSBREE - 7. 5193, P.R.C. 3029.1.

On June 27, 1963 (Minute Item 18, page 8963), the State Lands Commission authorized Leonard Elsbree to dredge, during the period June 27, 1963, through December 31, 1964, at a royalty of three cents per cubic yard, not to exceed 50,000 cubic yards of material from an area in the bed of the Sacramento River included in a lease for a marina, P.R.C. 2442.1.

An application has been submitted by Leonard Elsbree requesting authorization for the extraction of additional material from the leased area.

According to the applicant the deposition of sand is a reoccurring problem and must constantly be removed in order that operation of the marina may be continued.
