CALENDAR ITEM

9.

APPLICATION FOR SIX-MONTH RIGHT-OF-ENTRY PERMIT TO REMOVE DEBRIS FROM ISLANDS IN THE KLAMATH RIVER DELTA, TIDE AND SUBMERGED LANDS OF KLAMATH RIVER, DEL NORTE COUNTY; HUMBOLDT-DEL NORTE COUNTY DEPARTMENT OF PUBLIC HEALTH - W.O. 5601.

An application, dated March 29, 1965, has been received from the Humboldt-Del Norte County Department of Public Health for a six-month right-of-entry permit to remove debris from the islands of the Klamath River Delta seaward of the Douglas Memorial Bridge (see map attached to Exhibit "A").

The debris to be removed was deposited on the islands by the recent flood, and, if left, would constitute a hazard to public health and navigation and in periods of high water could cause additional damage to public and private real property. The removal of the debris will be done by the U. S. Army Corps of Engineers.

IT IS RECOMMENDED THAT THE COMMISSION AUTHORIZE THE EXECUTIVE OFFICER TO ISSUE TO THE HUMBOLDT-DEL NORTE COUNTY DEPARTMENT OF PUBLIC HEALTH A SIX-MONTH RIGHT-OF-ENTRY PERMIT OVER TIDE AND SUBMERGED LANDS OF THE KLAMATH RIVER DELTA, SEAWARD OF THE DOUGLAS MEMORIAL BRIDGE, FOR THE PURPOSE OF REMOVING DEBRIS FROM ISLANDS WITHIN THAT AREA. THE PERMIT SHALL BE IN THE FORM SET FORTH AS EXHIBIT "A" ATTACHED HERETO AND MADE A PART HEREOF. THE CONSIDERATION IS THE PUBLIC BENEFIT.
