15.

PROPOSAL OF THE CITY OF LONG BEACH TO EXPEND TIDELAND OIL REVENUES FOR THE CONSTRUCTION OF THE PIER "A" EAST DIVERSION DIKE REALIGNMENT IN THE PORT OF LONG BEACH - L.B.W.O. 10,212.

On April 27, 1965, the City of Long Beach, through the Office of the City Attorney, filed a letter of intent to expend a portion of its share of tideland oil revenues, pursuant to the authority of Chapter 138/54, 1st E.S., for construction of the Pier "A" East Diversion Dike Realignment in the Port of Long Beach in the estimated amount of \$2,837,000. On April 13, 1965, construction details were furnished to the Staff describing the arrangements for the proposed work. Refer to Exhibits "A", "B", "C" and "D" for an estimate and description of the proposed realignment of the dike. After a review of the material submitted, it is the opinion of the Staff that cost estimates are reasonable.

The City, in its letter of April 13, 1965, specified Section 6(a) as the particular subdivision of Chapter 138 which the City deems applicable to an authorization of the work. Section 6(a) of Chapter 138, Statutes of 1964, 1st E.S., is repeated hereinafter for the information and convenience of the Commission.

"Sec. 6. The Legislature hereby finds that the remaining oil revenue hereinabove allocated to the City of Long Beach is needed and can be economically utilized by said city for the fulfillment of the trust uses and purposes described in said acts of 1911, 1925 and 1935 and described as follows in this act, which are hereby found to be matters of state, as distinguished from local, interest and benefit.

"(a) The construction, reconstruction, improvement, repair, operation and maintenance of works, lands, waterways, and facilities necessary for the harbor within the boundaries of the harbor district of said city (as said boundaries were defined on April 1, 1956)."

IT IS RECOMMENDED THAT THE COMMISSION DETERMINE THAT THE EXPENDITURE OF APPROXIMATELY \$2,837,000 BY THE CITY OF LONG BEACH FROM ITS SHARE OF OIL REVENUES, AS PROPOSED IN ITS LETTER DATED APRIL 27, 1965, FOR THE CONSTRUCTION OF DIVERSION DIKE REALIGNMENT AT PIER "A" EAST WITHIN THE BOUNDARIES OF THE HARBOR DISTRICT, AS SHOWN ON EXHIBIT "A" ATTACHED, IS IN ACCORDANCE WITH THE PROVISIONS OF CHAPTER 138, STATUTES OF 1964, 1ST EXTRAORDINARY SESSION; SAID DETERMINATION TO BE SUBJECT TO THE CONDITION, HOWEVER, THAT THE WORK CONFORM IN ESSENTIAL DETAILS TO THE PLANS AND BACKGROUND MATERIAL HERETOFORE SUBMITTED.
