On September 8, 1965, the City of Long Beach, through the Office of the City Attorney, filed a letter of intent to expend a portion of its share of tideland oil revenues, pursuant to the authority of Chapter 138/64, 1st E.S., for raising and repairing Naples area bulkheads in the estimated amount of \$486,000. (Refer to Exhibits "A", "B", "C" and "D" for an estimate and description of the work proposed for the bulkheads.) After review of the material submitted, it is the opinion of the staff that cost estimates are reasonable. The City, in its letter of September 8, 1965, specified Sections 6(c) and (d) as the particular subdivisions of Chapter 138 which the City deems applicable to an authorization of the work. Sections 6(c) and (d) of Chapter 138, Statutes of 1964, 1st E.S., are repeated hereinafter for the information and convenience of the Commission.

"Sec. 6. The legislature hereby finds that the remaining oil revenue hereinabove allocated to the City of Long Beach is needed and can be economically utilized by said city for the fulfillment of the trust uses and purposes described in said acts of 1911, 1925, and 1935 and described as follows in this act, which are hereby found to be matters of state, as distinguished from local, interest and benefit.

(c) The construction, reconstruction, repair, operation and maintenance of the bulkheads, piers, earthfills, streets, roadways, bridges, bridge approaches, buildings, structures, recreational facilities, landscaping, parking lots, and other improvements on or adjacent to the Long Beach tidelands or on or adjacent to the Alamitos Beach Park Lands for the benefit and use of said tidelands or the Alamitos Beach Park Lands.

(d) The construction, reconstruction, repair, operation and maintenance of small boat harbors, marine stadiums, maritime museum, marine parks, beaches, waterways, and related facilities, on or adjacent to the Long Beach tidelands or on or adjacent to the Alamitos Beach Park Lands, or on or adjacent to aquatic recreational areas of the aforesaid nature.

IT IS RECOMMENDED THAT THE COMMISSION DETERMINE THAT THE EXPENDITURE PROPOSED IN LETTER DATED SEPTEMBER 8, 1965, OF APPROXIMATELY \$486,000 BY THE CITY OF LONG BEACH FROM ITS SHARE OF OIL REVENUES FOR RAISING AND REPAIRING NAPLES AREA BULKHEADS ON AND ADJACENT TO THE TIDELANDS, AS SHOWN ON EXHIBIT "A" ATTACHED, IS IN ACCORDANCE WITH THE PROVISIONS OF CHAPTER 138, STATUTES OF 1964, 1ST EXTRAORDINARY SESSION; SAID DETERMINATION TO BE SUBJECT TO THE CONDITION, HOWEVER, THAT THE WORK CONFORM IN ESSENTIAL DETAILS TO THE PLANS AND BACKGROUND MATERIAL HERETOFORE SUBMITTED.
