PROPOSED ANNEXATION, TIDE AND SUBMERGED LANDS FRONTING CITY OF CARPINTERIA DESIGNATED AS "CARPINTERIA TIDE AND SUBMERGED LANDS ANNEXATION NO. 1-A-1"; SANTA BARBARA COUNTY - W.O. 2400.54.

The State Lands Commission, by letter dated May 9, 1966, was informed by the City of Carpinteria that the City Council has adopted Resolution No. 43, declaring its intention to annex tide and submerged lands fronting the city designated as "Carpinteria Tide and Submerged Lands Annexation No. 1-A-1". The city had previously advised the Commission of its intention to annex certain tide and submerged lands but the descriptions and map required amendment in order to conform with the State boundaries in accordance with the Supplemental Decree entered by the U. S. Supreme Court in U. S. v California, Original No. 5, on January 31, 1966. The offshore boundaries in the pending annexation have been so amended.

Section 35014 of the Government Code provides for approval or disapproval by the State Lands Commission of the offshore boundaries of an annexation proposal where the annexation includes tide or submerged lands in the Pacific Ocean that are owned by the State, and for reporting its determination to the city and to the executive officer of the local agency formation commission. Staff review of the map and the legal description of the proposed annexation has shown compliance with the provisions of said section.

Approval of the map and legal description is made pursuant to Section 35014 of the Government Code and does not constitute approval by the State as owner of the tide and submerged lands to the proposed annexation. This matter will be the subject of separate later consideration by the Commission.

IT IS RECOMMENDED THAT THE COMMISSION APPROVE THE PROPOSED OFFSHORE BOUNDARIES OF "CARPINTERIA TIDE AND SUBMERGED LANDS ANNEXATION NO. 1-A-1", DESCRIBED AS FOLLOWS:
