On March 7, 1966, an application was received from Chas. E. Stokes of North Hollywood, California, to purchase the SE $\frac{1}{4}$ of SW $\frac{1}{4}$ of Section 4, T. 3 N., R. 4 E., S.B.M., containing 40 acres in San Bernardino County.

The applicant later amended his offer in writing, concurring with the appraised value of \$10,000, and submitted 20 per cent, or \$2,000, in cash to fully qualify his amended offer in accordance with applicable regulations.

THE PROPERTY

Location: Lucerne Valley is located on State Highway No. 18, 22 $\frac{1}{4}$ road miles northwest of the subject property; Yucca Valley is located 23 miles southeast.

Access: By a paved county road (Old Woman Springs Road).

Water: No surface water; sub-surface water unknown.

Terrain: Flat, smooth, with some minor washes.

Elevation: 2,960 feet high along the south boundary; 2,920 feet low at the northeast corner.

Cover: Sparse growth of greasewood and low desert-type brush.

A staff appraisal shows that the land is not suitable for cultivation without artificial irrigation, and establishes the value at \$250 per acre (\$10,000 total) for the parcel. The land was advertised for sale with the stipulation that any new bids must be in excess of the appraised value. Pursuant to advertising, the following bid was received:
