APPLICATION FOR BRIDGE RIGHT-OF-WAY OVER SUTTER SLOUGH, SACRAMENTO AND YOLO COUNTIES; COUNTIES OF SACRAMENTO AND YOLO - W.O. 6340.

The counties of Sacramento and Yolo have applied for a 200- x 300-foot right-of-way over sovereign land in Sutter Slough located approximately one-half mile south of Courtland in Sacramento and Yolo counties (as shown on Exhibit "A").

The right-of-way will cover the existing Sutter Slough Road Bridge, originally constructed in 1938. It is planned to replace the existing timber trestle portions of the bridge with reinforced concrete structures, and to replace existing navigation and protective installations. The main steel truss swing-span will be retained and redecked.

A U. S. Army Corps of Engineers navigational permit has been issued.

The consideration for issuance of a permit will be the public use and benefit.

IT IS RECOMMENDED THAT THE COMMISSION AUTHORIZE THE EXECUTIVE OFFICER TO ISSUE TO THE COUNTIES OF SACRAMENTO AND YOLO, IN CONSIDERATION OF THE PUBLIC BENEFIT, A 49-YEAR PERMIT FOR THE MAINTENANCE AND RECONSTRUCTION OF AN EXISTING BRIDGE ACROSS THE FOLLOWING-DESCRIBED LAND:
