Calendar Item 13 (1 page)

13.

APPROVAL OF THE THIRD MODIFICATION OF THE 1967 PLAN OF DEVELOPMENT AND OPERATIONS AND BUDGET, LONG BEACH UNIT, WILMINGTON OIL FIELD, LOS ANGELES COUNTY - W.O. 5200.317.

The City of Long Beach, pursuant to the provisions of Section 5(g), Ch. 138/1964, 1st E.S., has requested State approval of the Third Modification of the 1967 Plan of Development and Operations and Budget, Long Beach Unit, to provide for firewall construction.

The 1966 Budget, as prepared in September 1965, provided \$180,000 for the construction of a firewall around two 87,000 barrel oil storage tanks located on the J-6 Drillsite. Bids have been received by the Field Contractor indicating the cost of the firewall, as specified by the Long Beach City Fire Department, will exceed the original estimate by approximately \$70,000.

This requested modification will change the approved 1967 Budget as follows:

<u>Page</u>	<u>Category</u>	<u>From</u>	<u>To</u>
16	General Facilities Storage and Transfer Facilities	\$170,000	\$240,000

The Commission's staff have reviewed this proposed Third Modification and found it reasonable and necessary for the safety of personnel and property.

IT IS RECOMMENDED THAT THE COMMISSION, PURSUANT TO THE PROVISIONS OF SECTION 5(g), CH. 138/1964, 1ST E.S., APPROVE THE THIRD MODIFICATION OF THE 1967 PLAN OF DEVELOPMENT AND OPERATIONS AND BUDGET, LONG BEACH UNIT.
