ANNEXATION OF STATE-OWNED TIDE AND SUBMERGED LANDS BY CENTRAL CONTRA COSTA  
SANITARY DISTRICT, DISTRICT ANNEXATION NO. 21; CONTRA COSTA COUNTY - W.O. 2400.66

The Central Contra Costa Sanitary District has requested the State Lands Commission to give its consent to the inclusion of certain State-owned tide and submerged lands within the District in accordance with District Annexation No. 21. It does not appear that any adverse effects to the State can result from such inclusion. In similar instances in the past the Commission has approved annexations of this type. Such consent should be qualified to the extent that it is not to be construed as affecting the boundaries between the State and private persons.

IT IS RECOMMENDED THAT THE COMMISSION: (1) CONSENT TO THE INCLUSION OF STATE-OWNED TIDE AND SUBMERGED LANDS WITHIN THE CENTRAL CONTRA COSTA SANITARY DISTRICT IN ACCORDANCE WITH DISTRICT ANNEXATION NUMBER 21; SUCH CONSENT IS NOT TO BE CONSTRUED AS AFFECTING THE BOUNDARIES BETWEEN THE INCLUDED STATE LANDS AND LANDS OWNED BY PRIVATE PERSONS. (2) AUTHORIZE THAT THE DISTRICT BE INFORMED OF SUCH CONSENT.
