APPROVAL OF CONVEYANCE OF PRODUCTION PAYMENT, STANDARD OIL COMPANY OF CALIFORNIA, LONG BEACH HARBOR DEPARTMENT TIDELANDS PARCEL, WILMINGTON OIL FIELD, LOS ANGELES COUNTY - W.O. 10,190.

Standard Oil Company of California holds an undivided 28.215% interest as a "Contractor" for the City of Long Beach under "Drilling and Operating Contract (Long Beach Harbor Department Tidelands Parcel)". Section 33 of said Drilling and Operating Contract provides, in part, as follows:

"Neither the Contractor, nor any of its successors or assigns, shall have the right or power to assign, hypothecate, pledge, or in any manner dispose of this agreement, or any part thereof, or of the whole or any part of the Contractor's rights, privileges, or obligations hereunder, without first obtaining the written consent of, and subject to such terms and conditions as may be prescribed by, the Board, after the Board has obtained State Lands Commission approval therefor."

The City of Long Beach, pursuant to Section 33 above, has submitted the following documents for State Lands Commission approval:

1. Conveyance of Production Payment and Agreement, dated December 30, 1968, from Standard Oil Company of California to Sutter Charitable Foundation, a California nonprofit corporation.
2. Security Agreement and Deed of Trust, dated December 30, 1968, from Sutter Charitable Foundation to United California Bank, as Trustee.
3. Consent of Surety by Pacific Indemnity Company regarding items 1 and 2 above.
4. Approvals of Signal Oil and Gas Company, Humble Oil & Refining Company, Continental Oil Company, CM Oil Company, and Long Beach Oil and Development Company, which companies constitute all of the other Contractors under the Drilling and Operating Contract, regarding items 1 and 2 above.

The Conveyance of Production Payment assures that the documents will not change the obligations or working relationships as they now exist between the City of Long Beach, the State of California, and the Contractors under the Drilling and Operating Contract.

The Office of the Attorney General has advised that the Commission may properly approve the documents as submitted.
