No change; i.e., The State Lands Division is in correspondence with the Federal Government concerning the status of certain offshore rocks in the vicinity of Carpinteria as low-tide elevations. This action is a condemnation matter, brought by the County of San Mateo, concerning lands located within the aforementioned statute (Ch. 1857/65). The State contends that said lands were granted in trust to the County or, in the alternative, that the County received an easement over said lands in trust which permits the County to use the subject property for the purposes contemplated by the condemnation action.)
