STATUS OF MAJOR LITIGATION - W.O.s 503.510, 4721, 503.527, 503.562, 1339, 503.554, 503.546, 4926, 503.456, 1839.24, 6987, 1839.28, 503.539, 503.577, 503.569, 503.610, AND 503.641.

The following information is current as of May 4, 1970:

1. Case No. 892295 W-503.510
 Miller vs. City of Santa Monica, et al.
 Los Angeles County Superior Court

(An action by private upland owners involving title to tidelands that have artificially accreted. Both the State Lands Commission and the Division of Beaches and Parks have interests to protect.)

No change; i.e., The City and the State have not filed any Demurrer or Answer as yet. However, the City and the State have entered into a Stipulation with the Plaintiffs in lieu of a preliminary injunction. The Stipulation restrains the Plaintiffs from building in the disputed area, and restrains the City and the State from removing any improvements thereon.

- .. Case No. 5 Original in the United States Supreme Court W-4721
 United States vs. State of California

(Relating to the location of the offshore boundaries between lands under the paramount jurisdiction of the United States and lands owned by the State, for such purposes as minerals. A Supplemental Decree was entered in this case, settling the principal controversies between the State and the United States, but reserving jurisdiction in the United States Supreme Court to settle any remaining controversies.)

No change; i.e., The State Lands Division is in correspondence with the Federal Government concerning the status of certain offshore rocks in the vicinity of Carpinteria as low-tide elevations. If these rocks are low-tide elevations, they will constitute base points for determining the seaward limits of State ownership and could substantially enlarge the extent of State ownership in this particular area.

3. Case No. 57239 W-503.527
 White vs. State of California W-503.562
 Sonoma County Superior Court

(Quiet title action against the State to determine a property boundary along the Petaluma River, Sonoma County.)

No change; i.e., Appeal is still in progress. Kullberg v. State of California, Sonoma County Superior Court Case No. 59332, which is related to the White case, has been taken off the active calendar, awaiting final disposition of the White case on appeal.

Atlantic Oil Company, et al. vs. County of Los Angeles,
et al. and Humble Oil & Refining Company, et al. vs.

9. Civil Case No. 144257
State of California vs. County of San Mateo, et al.
San Mateo County Superior Court

W-6987
W-1839.28

(A declaratory relief action to determine what interests were conveyed in trust to the County of San Mateo by Chapter 1857, Statutes of 1965.)

No change; i.e., The Superior Court granted the Motion of the Sierra Club and the Save San Francisco Bay Association to intervene as party, subject to their limiting the issues to those raised in the State's original Complaint. Further developments await completion of factual study.

10. Civil Case No. 125379 (companion case to No. 144257 above)
County of San Mateo vs. Ideal Cement Company, et al.
San Mateo County Superior Court

(In order to obtain uniformity of decision, the State has filed an Answer to the Complaint. This action is a condemnation matter, brought by the County of San Mateo, concerning lands located within the aforementioned statute (Ch. 1857/65). The State contends that said lands were granted in trust to the County or, in the alternative, that the County received an easement over said lands in trust which permits the County to use the subject property for the purposes contemplated by the condemnation action.)

No change; i.e., The matter is awaiting pretrial developments.

11. California State Supreme Court Case LA-29700,

12. Case No. SOC 21023
City of Long Beach vs. Radford, et al.
Los Angeles County Superior Court

and
Case No. 171042
City of Long Beach vs. Matthews, et al.
Orange County Superior Court (transferred from Los Angeles County
Superior Court)

W-503.610

(These are two condemnation actions filed by the City of Long Beach to obtain title to parcels of property lying between Ocean Boulevard in Long Beach and the public beach, as a part of the City's over-all acquisition program to obtain substantially all waterfront property in public ownership. The State of California has been named as a **defendant** because the seaward boundary of the affected parcels may be the landward boundary of sovereign lands granted by the State to the City of Long Beach in trust.)

The State has filed an Answer. The Matthews matter is set for trial in January 1971. A setting conference will be held shortly concerning the Radford case. The State has answered or is in the process of answering the interrogatories propounded by the private defendants.

Union Pacific Railroad Company, et al. vs. City of Long Beach
Los Angeles County Superior Court

W-503.641

(Suit attacking the City of Long Beach business license tax for oil production. That portion of the ordinance providing for revenues from unitized tideland operations was declared unconstitutional.)

On appeal. (The outcome of this litigation could affect State revenues by many millions of dollars, and it probably will be necessary for the Attorney General, on behalf of the State Lands Commission, to appear as Amicus Curiae in this case.)
