VICINITY OF BUCKLEY COVE, SAN JOAQUIN COUNTY

By Chapter 1700 of the Statutes of 1965, the Legislature conveyed to the City of Stockton, in trust, certain tidelands and submerged lands lying in the natural channel of the San Joaquin River known as Buckley Cove.

Section 9 of Chapter 1700 provides that the State Lands Commission shall, at the expense of the City, survey and monument the granted lands, prepare a description and plat thereof, and record such description and plat in the Office of the County Recorder of San Joaquin County.

A service agreement between the State Lands Division and the City of Stockton, providing for payment of services rendered by the State, was executed by the City.

The surveying, monumenting, and mapping of the claim line of the lands granted to the City has been completed (Sheets 1 through 4 of 4 attached as Exhibit "A"). Certain limiting language with respect to the boundary has been added. Representatives of the City of Stockton have reviewed and approved the completed maps.
