AUTHORIZATION FOR ATTORNEY GENERAL TO FILE COMPLAINT
REGARDING FENCE ENCROACHMENT ON STATE LANDS AT MALIBU

In December, 1971, a fence was erected along the northerly boundary line of the lot at 24712 West Malibu Road. The fence extends into the tideland area and blocks public access to the tidelands. The Los Angeles County Board of Supervisors has asked this Commission "to use whatever legal means necessary" to have the fence removed. The State Lands Division, the Attorney General's office, and representatives of the county have attempted to negotiate with the owners of the lot in an effort to have them remove the fence. There has been no resolution of the problem. Further efforts will be made to negotiate a solution, but failing this, legal action will be necessary to effect the removal of the fence.

IT IS RECOMMENDED THAT THE COMMISSION:

1. AUTHORIZE THE ATTORNEY GENERAL'S OFFICE TO BRING AN ACTION TO REMOVE THAT PORTION OF THE FENCE AT 24712 WEST MALIBU ROAD WHICH IS SITUATED UPON THE TIDELANDS OR UPON LANDS COVERED BY THE WATER OF SANTA MONICA BAY AT ANY TIME AND TO TAKE ANY OTHER APPROPRIATE ACTION TO EFFECT THE REMOVAL OF SAID FENCE.
