ADMINISTRATION OF TIDELAND OIL AND GAS REVENUES
UNDER PROVISIONS OF PUBLIC RESOURCES CODE SECTION 6817
(CHAPTER 2160, STATUTES OF 1963) FOR FISCAL YEAR 1973-74

DESCRIPTION: Chapter 2160/63 added Sections 6816.5 and 6817 to the Public Resources Code, providing for subventions of State tide-and-submerged-land oil-and-gas revenues to cities and counties, under conditions described below, and requiring the State Lands Commission to report to the State Controller the amounts of the revenues to be used for purposes of calculating the subventions.

PURPOSE: To approve qualifying beaches and parks, as required in Public Resources Code Section 6817 (Chapter 2160/63), as enumerated in Exhibit "A" attached.

OTHER PERTINENT INFORMATION:

The salient features of Chapter 2160/63 are:

1. The subventions shall be made to cities or counties that own or operate parks (public beaches) free of charge to the public for recreational purposes, which parks must be offset by tide-and-submerged-land oil-and-gas leases let by the Commission immediately adjacent to and having a common frontage with the parks.
2. The subvention for each fiscal year shall amount to one percent of the State's total revenue from leases lying offshore but within the limits of the particular city or county, to a maximum of seventy-five thousand dollars (\$75,000) for each mile or fraction of a mile of ocean frontage of park qualifying under Number 1 above.
3. The apportionment for any given fiscal year shall be based upon the physical facts existing on June 30 of the preceding fiscal year with respect to each city or county.
4. The State Lands Commission shall, at the time of remitting revenues to the State Treasury, report to the State Controller the total amount of revenue received from tide and submerged lands shown with respect to each city or county to which such amount is applicable.
5. The legislation provides that "The report of the State Lands Commission and the apportionments of the Controller shall be final".
