## AMENDMENTS TO DELEGATION OF AUTHORITY

The Commission, in accordance with law, provides for the redelegation of certain powers to the Executive Officer and staff of the State Lands Division. A general redelegation of authority was last made by Minute Item 24, pages 687-692 of the August 30, 1973, Commission meeting. This Commission action was subsequently followed by reorganization within the Division which transfers the accounting and personnel functions to the Sacramento Headquarters office from the Long Beach office. This necessitates that the Commission's delegation of authority be amended slightly to reflect this recent action. It is proposed that the Commission revise former delegations of authority relative to budget and fiscal, and personnel and payroll matters. This proposal will grant the Executive Officer specific authority to redelegate certain matters in the area of general administration. It also rescinds certain prior delegations in the area of general administration as of April 1, 1974. At that time, consolidation of the administrative functions will become fully operational in the Division's Sacramento office. It is also proposed that a minor amendment be effected which relates to a title change for the Manager, State Lands Program.

EXHIBIT:           A. Delegations of authority for general administration relating to budget and fiscal, and personnel and payroll matters. (Changes are underlined.)

## IT IS RECOMMENDED THAT THE COMMISSION:

1. AUTHORIZE AMENDMENTS TO PRIOR DELEGATIONS OF AUTHORITY RELATING TO GENERAL ADMINISTRATIVE MATTERS.
2. AUTHORIZE DELEGATIONS OF AUTHORITY SET FORTH IN EXHIBIT "A" ATTACHED AND BY REFERENCE MADE A PART HEREOF.
3. AUTHORIZE THE REDELEGATION OF AUTHORITY TO THE MANAGER, LAND OPERATIONS, IN EACH INSTANCE WHERE PREVIOUS REFERENCES HAVE BEEN MADE TO THE MANAGER, STATE LANDS PROGRAM.
