AUTHORIZATION TO EXTEND CONSTRUCTION
LIMITING DATE IN PERMIT P.R.C. 4797.9

BACKGROUND:

As Minute Item Number 5, Page 619, of its meeting on August 30, 1973, the State Lands Commission approved the issuance of a Public Agency Permit to Los Angeles County for the construction of groins and fill in Las Tunas Beach. The permit as issued contained construction limiting dates of September 1, 1973 through June 30, 1975. Since the date of issuance, Los Angeles County has become involved in a legal suit over the environmental consideration involved in this project and has been enjoined from beginning construction.

CURRENT SITUATION:

Los Angeles County has requested that the State Lands Commission authorize an extension of the completion date for this project from June 30, 1975 to June 30, 1977, in order to allow the completion of construction of the facilities authorized in Permit PRC 4897.9.

EXHIBIT: A. Location Map.

IT IS RECOMMENDED THAT THE COMMISSION AUTHORIZE THE ISSUANCE OF A LETTER TO LOS ANGELES COUNTY EXTENDING THE COMPLETION DATE IN LEASE PRC 4797.9 FROM JUNE 30, 1975 TO JUNE 30, 1977.
