AUTHORIZATION TO FILE DISMISSAL

On October 31, 1975, pursuant to Calendar Item No. 39, of the September 1975 meeting of the State Lands Commission, suit was filed in Solano County Superior Court against Greenhead, Inc. and David D. and Ophelia E. Bohannon. The purpose of the suit was to remove a structure blocking access and use of the waters of Cross Slough, sovereign lands of the State of California under the jurisdiction of the State Lands Commission.

Through negotiations between staff and representatives of the Defendants, a settlement of this case has been consummated. The defendants have opened the gate placed on Cross Slough, and have removed the blockage to access and use of the slough. The public is now able to navigate the waters of Cross Slough in a manner consistent with the public trust for commerce, navigation and fishery.

IT IS RECOMMENDED THAT THE COMMISSION AUTHORIZE THE FILING BY THE STAFF OF THE STATE LANDS COMMISSION OF A DISMISSAL WITHOUT PREJUDICE IN THE CASE OF STATE LANDS COMMISSION V. GREENHEAD, INC.; ET AL, SOLANO COUNTY SUPERIOR COURT NO. 62536.
