CONSENT OF STATE LANDS COMMISSION
AS LANDOWNER TO THE PROPOSED ANNEXATION
TO CITY OF STOCKTON

On January 26, 1978, the State Lands Commission approved the boundaries of Stockton's proposed annexation of lands adjacent to its city limits including tide and submerged lands. The City of Stockton wishes to annex the subject property pursuant to Government Code Section 54797.1. This section would allow the city to complete the annexation without notice and hearing and without an election, if owners of the land within such territory to be annexed consent in writing to such annexation and if the Local Agency Formation Commission gives its approval and authorization.

The City of Stockton has requested in writing that the State Lands Commission give its written approval pursuant to California Government Code Section 54797.1, supporting the annexation of the lands owned by the State of California under the jurisdiction of the State Lands Commission. Said consent would allow for the possibility of the annexation to proceed without hearing and election and would result in savings to the City of Stockton both in staff time and money.

Exhibits: A. Land Description. B. Location Map.

IT IS RECOMMENDED THAT THE STATE LANDS COMMISSION GIVE WRITTEN CONSENT PURSUANT TO THE CALIFORNIA GOVERNMENT CODE SECTION 54797.1, AS TO THE APPROVAL OF THE ANNEXATION OF TIDE AND SUBMERGED LANDS OWNED BY THE STATE UNDER THE JURISDICTION OF THE STATE LANDS COMMISSION, DESCRIBED IN EXHIBIT "A" ATTACHED AND BY REFERENCE MADE A PART HEREOF, AND AUTHORIZE STAFF TO SEND A WRITTEN NOTICE TO THE CITY OF STOCKTON AND THE LOCAL AGENCY FORMATION COMMISSION OF SAN JOAQUIN COUNTY.
