REVISION IN LEASE RENTAL AFTER ROUTINE REVIEW

This is a grazing lease for a term of 10 years from February 5, 1975, with an existing annual rent of \$92.40, covering a 560+ acre parcel of school land near Fall River Mills, Shasta County, for livestock grazing.

The lease listed below provides that the State may adjust the annual rental at a different amount for the 5-year term following the fifth anniversary of the lease, effective on such anniversary date.

The rental is based on carrying capacity of the State land. The land covered by the lease has been re-appraised and it has been determined that the new rental shown below is reasonable and proper. The lessee was notified of the amount within the time constraints set by his lease.
