CURRENT SITUATION:

The proposed lease was advertised in a local newspaper of general circulation on July 19 and 26, 1979. A bid package describing the proposed lease was mailed and/or hand delivered to all parties expressing an interest. In order to qualify as a potential lessee, a sealed bid was required. At 2:00 p.m. on August 9, 1979, the sealed bids were opened. The minimum acceptable bid was set at \$8,200 per annum, based upon an appraisal of the typical rental values in the immediate vicinity. The applicant was the sole bidder with a bid of \$8,610 per annum. The bid was accompanied by a deposit equivalent to 10 percent of the annual rental.
