LAND BANK AGREEMENT

The Commission, at its regular public meeting in December 1977, approved a Land Bank Agreement with the East Bay Regional Park District (EBRPD) wherein the State was granted an option until December 31, 1978 to acquire undivided interests from the District in real property in Contra Costa County, California, known as Brown's Island. Brown's Island is described in the attached Exhibit "A" and is depicted on the attached plat marked Exhibit "B". Authorization to extend the termination date of the Agreement to December 31, 1979 was granted by the Commission at its regular public meeting in November, 1978 (Minute Item #17).

The undivided interests conveyed to the State are paid for by third parties in exchange for the State's conveyance of its sovereign interests in other parcels of real estate in compromise settlement of title disputes relating to said other parcels.

The State Lands Commission has authorized land exchanges wherein the State will acquire the District's entire interest within Brown's Island. However, actual delivery of deeds has not yet occurred for many of the transactions. A one-year extension of this option agreement will permit the final completion of these pending exchanges.

EXHIBITS:           A. Land Description.       B. Location Plat.

IT IS RECOMMENDED THAT THE COMMISSION:

1. DETERMINE THAT AN EIR IS NOT REQUIRED FOR THIS ACTIVITY BECAUSE THIS AGREEMENT DOES NOT HAVE THE POTENTIAL FOR RESULTING IN PHYSICAL CHANGE IN THE ENVIRONMENT PURSUANT TO 14 CAL. ADM. CODE 15037, 14 CAL. ADM. CODE 15060.
2. AUTHORIZE THE EXTENSION OF THE LAND BANK OPTION AND LEASE BACK AGREEMENT THROUGH DECEMBER 31, 1980.
