STATUTORY AND OTHER REFERENCES:

- A. P.R.C.: Div. 6, Parts 1 & 2.
- B. Cal. Adm. Code: Title 2, Div. 3.

OTHER PERTINENT INFORMATION:

1. With the exception of the Point Arena Rock underwater park site (a new park site) located adjacent to Manchester State Beach in Mendocino County, all other underwater park sites have previously been leased on a one site per lease basis. The four proposed permits, consolidate the previous permits into master permits by county to facilitate processing time, lessen expense costs, and streamline the management process. All prior permits will terminate before the beginning date of the proposed permits.
2. The purpose for the permits to the State Department of Parks and Recreation is for management and preservation of the resource values located within the underwater units for public use, enjoyment and education.
3. The proposed permits contain a provision for the placement of signs giving the State Lands Commission credit for donation of the land.
4. The annual rental value of all sites is estimated to be \$422,680.
5. This project is exempt from CEQA because it consists of an action taken by a regulatory agency to assure the enhancement of natural resources.

Authority: Cal. Adm. Code, Title 14, Section 15107.

6. The staff of the Coastal Commission advises the project is consistent with Coastal Commission Guidelines.

CALENDAR ITEM NO. C5. (CONTD)

7. This project is situated on State land identified as possessing significant environmental values pursuant to P.R.C. 6370.1, and is classified in a use category, Class B, which authorizes Limited Use.
8. Staff has coordinated this project with those agencies and organizations who nominated the site as containing significant environmental values. They have found this project to be compatible with their nomination.
