DREDGING PERMIT

In accordance with the Commission's delegation of authority to the Executive Officer on February 24, 1977 (Minute Item No. 32), to issue dredging permits of 10,000 cubic yards or less, to perform maintenance dredging on State-owned lands, the following applicant has been granted such permission:

APPLICANT: Richard Laursen  
dba Klamath River R. V. Park  
1125 Hodgson Street  
Eureka, California 95501

The permit provides for dredging a maximum of 1,000 cubic yards of material from a channel connecting the applicant's small boat marina with the mainstream of the Klamath River. The channel is located on State-owned tide and submerged lands within the U. S. meander lines of the Klamath River approximately 1/4-mile west of U.S. 101, Del Norte County. Excavated material will be placed on the existing sandbar between the channel and the River. The permit provides for payment of a royalty of \$0.25 per cubic yard. The permit will be effective through December 31, 1980.

EXHIBITS: A. Site Map B. Location Map

In compliance with said delegation of authority, it has been determined that the following conditions have been met:

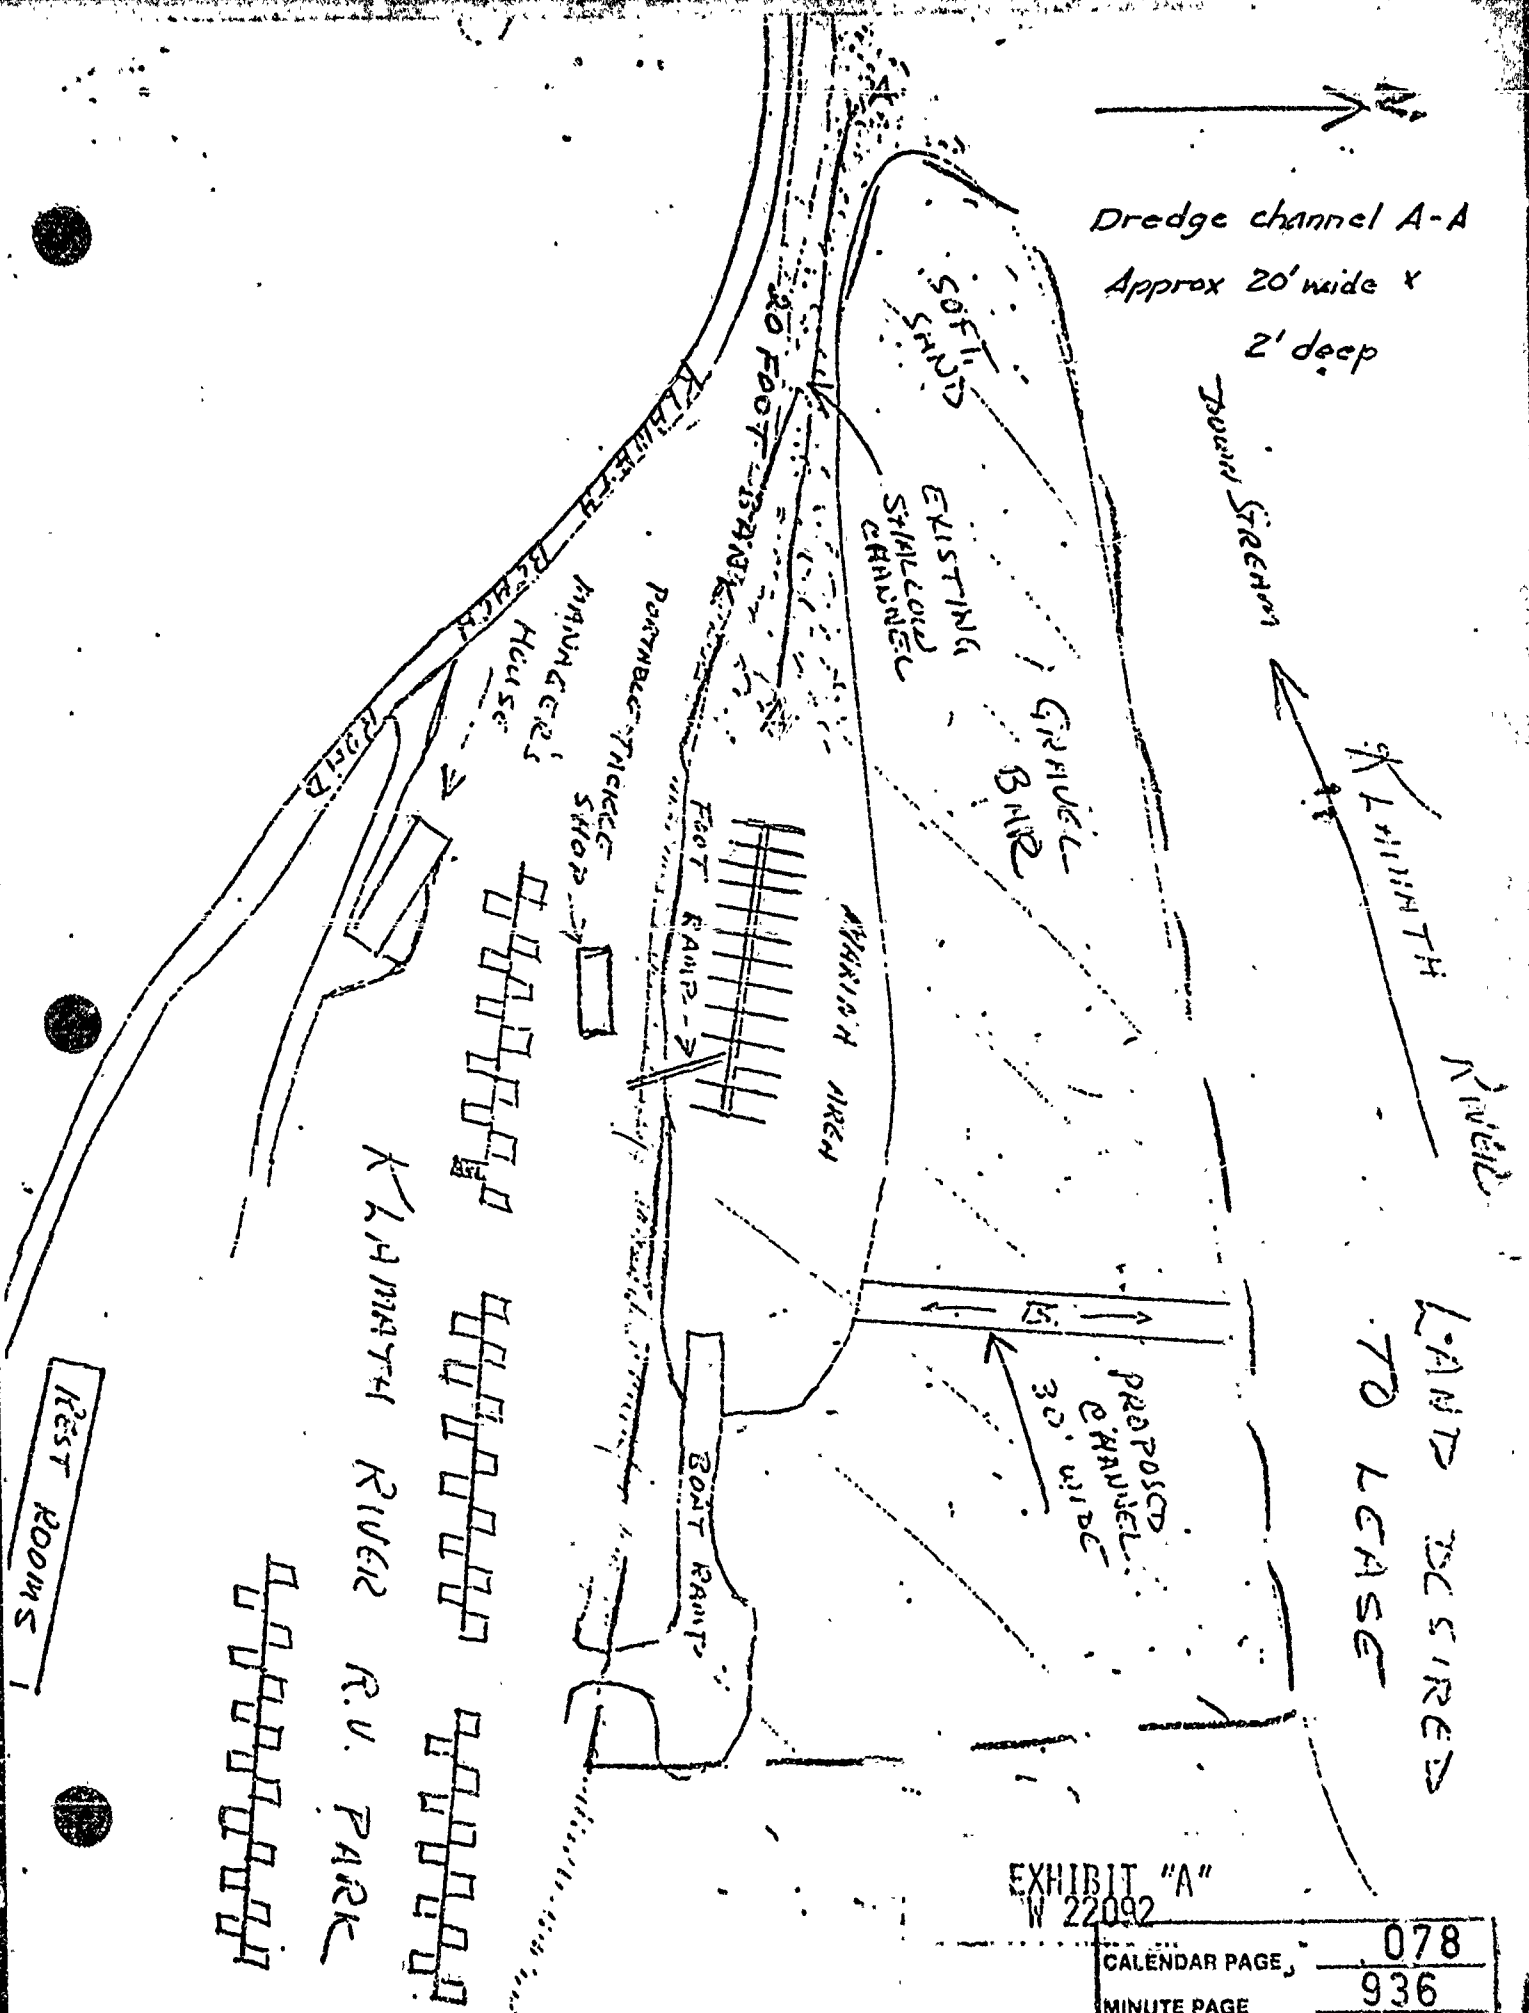

1. The proposed project is categorically exempt from the requirements of CEQA.
2. The issuance of the permit and the resultant project will have no significant adverse effect on the environment or the environmental characteristics identified pursuant to Section 6370.1, et seq., of the P.R.C.
3. The dredging amount will not exceed 10,000 cubic yards.
