AMENDMENT OF APPROVAL OF  
RESUMPTION OF DRILLING OPERATIONS ON  
STATE OIL AND GAS LEASE PRC 2879.1,  
SANTA BARBARA COUNTY

LEASE: PRC 2879.1  
LESSEE: Union Oil Company of California  
P. O. Box 6176  
Ventura, California 93003  
Attention: Mr. R. M. Barnds  
COUNTY: Santa Barbara  
AREA: Point Conception.

On May 29, 1980, the State Lands Commission approved Union Oil Company's application to resume drilling operations on State Oil and Gas Lease PRC 2879.1 in Santa Barbara County. The approval was conditioned on the lessee's agreement to an amendment to the lease which provided that Union Oil Company comply with State Lands Commission regulations in force on July 10, 1980.

Due to unforeseen difficulties in filing State Lands Commission regulations applicable to this lease, some regulations did not become effective until July 14, 1980. Therefore, an amendment of the May 29 approval has become necessary.

A document is on file in the Commission's office which has been executed by the lessee and which provides that Commission regulations in effect on July 15, 1980 will be applicable to the lease.

IT IS RECOMMENDED THAT THE COMMISSION:

1. AMEND THE CONDITION OF ITS APPROVAL OF UNION OIL COMPANY'S APPLICATION TO RESUME DRILLING ON STATE OIL AND GAS LEASE PRC 2879.1 (MAY 29, 1980, CALENDAR AND MINUTE ITEM NO. 36) TO PROVIDE THAT SAID APPROVAL IS CONDITIONED ON UNICN'S AGREEMENT TO AMEND SAID LEASE TO MAKE REGULATIONS IN EFFECT ON JULY 15, 1980 APPLICABLE TO THE LEASE.
