AUTHORIZATION TO FILE DISCLAIMER IN
UNITED STATES OF AMERICA V. 4.42 ACRES
ETC., ET AL., USDC NO. CV 80-5201-CMB (JRx)

The State of California is named a party to a condemnation action in Unit 1 States District Court, Central District of California. The action is entitled United States of America v. 4.42 Acres, etc., et al., and involves the taking of an easement over a public road for the management and control of portions of the Cleveland National Forest. The action is centered near the Orange County-Riverside County border in steep terrain, and is not on nor near lands over which the Commission exercises any present jurisdiction.

It has been ascertained, after examination and analysis of pertinent Commission records, that there is no present ownership interest held by the State Lands Commission in the parcel subject to this action.

Since this action involves land over which the Commission has no present ownership claims, it is recommended that a Disclaimer be filed on behalf of the Commission disclaiming any right, title or interest in the subject parcel.
