OF LAND, MORE OR LESS, ET AL.,  
UNITED STATES DISTRICT COURT, EASTERN  
DISTRICT OF CALIFORNIA, CIVIL NO. S-81-441 MLS,  
SACRAMENTO COUNTY

The State Lands Commission is a party to a United States condemnation action brought by the United States Attorney entitled, United States of America v. 640 Acres of Land, More or Less, etc., et al., filed in the United States District Court, Eastern District of California, Civil No. S-81-441 MLS involving land in Sacramento County to be used in connection with the feasibility study for proposed Clay Station Dam of Auburn Folsom South Unit, Central Valley Project.

The interest to be taken is a temporary easement until October 31, 1981, to enter the land to conduct mapping and permeability testing.

Upon examination of the Commission's records pertinent to the area, it has been ascertained that there is no interest held by the State Lands Commission as to the tract of land described in the notice of condemnation.

Inasmuch as this suit involves land over which the Commission has no jurisdiction, it is recommended that a disclaimer be filed on behalf of the State Lands Commission disclaiming any compensable right, title, or interest in the tract of the subject condemnation.
