APPROVAL OF SETTLEMENT
OF HLRC INVESTMENT GROUP TITLE DISPUTE,
CITY OF EUREKA

Pursuant to Chapter 1085 of the Statutes of 1970, the City of Eureka is empowered to negotiate and complete the settlement of sovereign lands disputes within the grant to the City of Eureka subject to the prior approval of the State Lands Commission.

The staff of the State Lands Commission has received a request from the City of Eureka to approve a proposed sovereign lands settlement agreement it has negotiated with HLRC Investment Group, record owner of a parcel of land subject to a sovereign lands claim. The parcel dealt with in this settlement is described in the attached Exhibit "A", is shown in its general locality on the attached Exhibit "B", and will be referred to throughout this item as SUBJECT PARCEL. The settlement agreement is on file at the offices of the Commission and is incorporated as a part of this Calendar Item by this reference.

Review by the staff has shown that the SUBJECT PARCEL lies within the perimeter description of Tideland Patent No. 25 and is subject to an easement in favor of commerce, navigation, and fisheries. The SUBJECT PARCEL lies completely above the line of the present mean high tide and is bounded by streets on two sides and other fast land on the remaining two sides.

The essential terms of the settlement agreement provide that:

1. The City of Eureka, with the approval of the State Lands Commission, will quitclaim all of its right, title, and interest as trust grantee in the SUBJECT PARCEL. Under Chapter 1085 of the Statutes of 1970, this quitclaim, if effectuated, will operate to also extinguish all sovereign right, title, and interest of the State of California in the SUBJECT PARCEL;

2. In consideration of the quitclaim by the City, the current record owners will pay \$1,000 to the Eureka Tidelands Fund;
3. All monies deposited into the Fund will be held in trust and can only be used for the purchase of tide and submerged lands or interests or for the purchase of other lands or interests in land which are useful for public trust purposes;
4. Withdrawal of monies from Fund will be made only when a suitable parcel is found and the State Lands Commission and the City of Eureka certify that the parcel meets the requirements specified above;
5. Any land purchased with money from the Fund will become sovereign land of the State, subject to the provisions and limitations of the applicable granting statutes to the City of Eureka and to the common law public trust for commerce, navigation, and fisheries.

The City of Eureka, with the assistance of Commission staff and the review of the Office of the Attorney General, has completed an investigation and appraisal of sovereign lands interests within the SUBJECT PARCEL and has concluded that the value of those interests does not exceed \$1,000. The cost of litigation to prove sovereign rights in the SUBJECT PARCEL would exceed the value of those rights. The Commission's staff and the Office of the Attorney General recommend approval of this settlement as the best means of promoting sovereign lands interests within the Eureka grant.
