DENIAL OF APPLICATION

Chapter 1200, Statutes of 1977 (AB 884), requires State agencies to compile lists of criteria specifying the detailed application information required of applicants for development projects. Accordingly, the State Lands Commission adopted its application criteria through Calendar Item No. 12 at its April 27, 1978 meeting.

Under AB 884, once an application has been accepted as complete, the Commission must act on the application within specified time periods. Failure to act within the time allowed, either by approving or denying the project, results in automatic approval of the project (by operation of law).

Therefore, pursuant to Chapter 1200, Statutes of 1977, the following application for the State Lands Commission lease is submitted for denial. This application should be denied because of the unresolved title problems within this area of the former bed of the Yuba River. This title question is currently in litigation. This application was deemed complete in accordance with Commission-approved criteria.

APPLICANT: Mr. Andy Rossen
P. O. Box 2451
Marysville, California 95901

TYPE OF FACILITY: Fish hatchery in the former bed of the
