10. GENERAL LEASE - INDUSTRIAL USE
19. APPROVAL OF TERMINATION OF ORIGINAL LEASE PRC 3904.1  
AND APPROVAL OF GENERAL LEASE - INDUSTRIAL USE

Calendar Items C10 and C19 were removed from consent and placed on the regular agenda for consideration.

Ms. Donna Wetterer, representing Assemblyman Jack O'Connell, appeared to testify on Calendar Items 10 and 19. Assemblyman O'Connell was concerned that the Commission not approve any leases for new marine terminals or piers until the building of a consolidated tanker/terminal facility off the coast of Santa Barbara.

The Commission assured Ms. Wetterer that the actions being considered today relative to Calendar Items 10 and 19 would not conflict with Assemblyman O'Connell's request.

Executive Officer Dedrick also indicated that discussions have been ongoing with the County of Santa Barbara and other local and State agencies concerning a consolidated facility.

Upon motion duly made and carried, the resolutions in Calendar Items 10 and 19 were approved as presented by a vote of 3-0.
