RETROCESSION OF EXCLUSIVE JURISDICTION
OVER LANDS WITHIN
HUNTER-LIGGETT MILITARY RESERVATION
AND LOS PADRES NATIONAL FOREST,
MONTEREY COUNTY

Pursuant to Government Code Section 113, the Commission is authorized to consent to the retrocession of jurisdiction by the United States upon finding:

- a. that the United States has requested in writing the retrocession;
- b. that a public hearing was held to determine if the retrocession is in the State's best interests.

The United States Department of Agriculture has exclusive jurisdiction over 24,272.79 acres of land, located within the Hunter-Liggett Military Reservation and Los Padres National Forest. By letter dated October 15, 1979, the United States requested that the State consent to a retrocession of exclusive jurisdiction and that the United States retain only proprietorial jurisdiction.

On June 26, 1980, by Calendar Item 43, the Commission authorized the staff to conduct a public hearing, as required by Government Code Section 113, to determine if the retrocession was within the State's best interests. The hearing was noticed in newspapers of general circulation and the Clerk of the Board of Supervisors was served a notice of the hearing. The hearing was held on November 10, 1982. Comments from the Monterey County Sheriff objecting to the retrocession

were received at the hearing. A meeting was later held by the Sheriff and the Department of Agriculture. The objections were answered and the Sheriff agrees to the retrocession.
