AWARD OF CONTRACTS, CRUDE OIL SELL-OFF,
LONG BEACH HARBOR DEPARTMENT TIDELANDS PARCEL
AND PARCEL "A", WILMINGTON OIL FIELD

On February 24, 1983, the Commission approved the specifications and forms for the competitive bid sale by the City of Long Beach of 12½ percent of the oil produced and saved from and allocated to the Long Beach Harbor Department Tidelands Parcel and of 12½ percent of the oil produced and saved from Parcel "A". The sale involves the following three contracts:

1. One contract for 12½ percent of the oil produced and saved from Parcel "A", which is approximately 385 barrels per day.
2. For the crude oil allocated to the Long Beach Harbor Department Tidelands Parcel, one contract for eight percent of the oil which amounts to approximately 825 barrels per day, and one contract for 4½ percent of the oil which amounts to approximately 460 barrels per day.

The City has solicited and received bids on all three contract. The results of the bidding are shown on Exhibit "A". The price to be paid per barrel will be the successful bonus bid plus a base price equal to the highest price posted for like crude oil on the day of delivery in the Wilmington, Long Beach (Signal Hill), Huntington Beach and Inglewood oil fields among the postings of Chevron, USA, Inc., Mobil Oil Corporation, Union Oil Company of California and ARCO Petroleum Products Company. Each contract will begin on September 1, 1983 and end on March 1, 1985.
