OTHER PERTINENT INFORMATION:

State Oil and Gas Lease PRC 5978.1 was issued to Seaward Resources, Inc. on April 7, 1981 for a term of 20 years. Section 1 of the lease has a provision for a drilling term of two (2) years, with a possible extension of an additional year. If the lessee fails to commence drilling operations within the drilling term, the lease automatically terminates. As of this date, the lessee has not drilled on the lease and has not asked for an extension of the drilling term for the additional year. An executed quitclaim deed from the lessee was submitted on May 4, 1983. An inspection of the lease area was conducted and no evidence of hazardous conditions was found.

This activity is exempt from CEQA because it is not considered to be a project pursuant to 14 Cal. Adm. Code 15037.
