DENIAL OF APPLICATION

APPLICANT: Frank O. Marcks and
Raford V. Jones
2466 Pebble Beach
Palm Springs, California 92264

PROPOSAL: Construction of a dirt access road.

AREA, TYPE LAND AND LOCATION:
A strip of land 2,800 feet in length across
State school land in Section 16, T4S R14E,
SBM, Riverside County.

Chapter 1200, Status of 1977 (AB 884),
requires State agencies to compile lists
of criteria specifying the detailed application
information required of applicants for
development projects. Accordingly, the
State Lands Commission adopted its application
criteria through Calendar Item 12 at its
April 27, 1978 meeting.

Under AB 884, once an application has been
accepted as complete, the Commission must
act on the application within specified
time periods. Failure to act within the
time allowed, either by approving or denying
the project, could result in automatic
approval of the project (by operation of
law).

CALENDAR ITEM NO. (CONTD)

Therefore, pursuant to Chapter 1200, Statutes of 1977, the following application for the State Lands Commission is submitted for denial.

This application should be denied pending a resolution of the environmental problems the proposed project will create at the site and the immediate vicinity. Road construction proposed by the applicant would have a potentially irreversible impact on a significant big horn sheep herd.

AB 884: 3/23/84.
