SUBVENTIONS TO CITIES AND COUNTIES
FOR THE 1983-84 FISCAL YEAR

DESCRIPTION: P.R.C. Section 6817 provides for subventions of State tide and submerged land oil and gas revenues to cities and counties, under conditions described below, and requires the State Lands Commission to report to the State Controller the amounts of revenues to be used for purposes of calculating subventions.

PURPOSE: To approve qualifying beaches and parks, as required by P.R.C. Section 6817, as listed in Exhibit "A" attached and by reference made a part hereof.

AB 884: N/A.

OTHER PERTINENT INFORMATION.

1. The subventions shall be made to cities or counties that own or operate parks (public beaches) free of charge to the public for recreational purposes. Prior to January 1, 1976, the statute required that qualifying parks be immediately adjacent to and have a common frontage with State tide and submerged land leased for oil and gas. As of January 1, 1976; due to the enactment of Chapter 1210, Statutes of 1975, the adjacency and common frontage requirements were removed for cities. Beach parks and State oil and gas leases

may now be non-contiguous, although within a city's corporate limits, with the city qualifying for subventions if other statutory conditions are met.

2. The subvention for each fiscal year shall amount to one percent (1%) of the State's total revenue from offshore oil and gas leases located within the boundaries of the respective city or county to a maximum of \$75,000 for each mile or fraction of a mile of qualifying beach.
3. With respect to each city or county, the apportionment for any given fiscal year shall be based upon the physical facts existing on June 30 of the preceding fiscal year.
4. Certifications required by P.R.C. Section 6817 have been made by each of the subventionees for Fiscal Year 1983-84.
5. The County of Ventura has advised that on March 30, 1983, Mandalay Beach was deeded to the State. Effective that same date, however, the County and the State Department of Parks and Recreation entered into an operating agreement wherein the County retains responsibility for the development, operation and maintenance of Mandalay Beach for 35 years with an option to extend for an additional 25 years. The operating agreement has been reviewed by legal staff and Mandalay Beach continues to qualify for subvention by virtue of the County's operation of that Beach. The County has certified that it continues to operate the beach in conformance with P.R.C. Section 6817.
6. The State Lands Commission shall, at the time of remitting revenues to the State Treasurer, report to the State
