AUTHORIZATION TO FILE DISCLAIMER IN UNITED STATES
OF AMERICA V. 236.08 ACRES OF LAND, MORE OR
LESS, ETC., ET AL., ORANGE COUNTY, UNITED STATES
DISTRICT COURT, CENTRAL DISTRICT OF
CALIFORNIA, NO. CV 83-7199-MML(Kx)

The State Lands Commission is a party to a United States
 condemnation action brought by the United States Attorney
 entitled United States of America v. 236.08 acres of land, more
or less, etc., et al., Orange County, for a temporary work area
easement involving studies to be used in connection with the
Santa Ana River Flood Control Project, California, Corps of
Engineers, United States Department of the Army.

Upon examination of the Commission's records pertinent to the
 area, it has been determined that the area involving the
 temporary easement taking includes historic tide and submerged
 lands lying in and connected to the Santa Ana River and Newport
 Bay.

It was further determined that extensive preparation and
 research would be required to determine the extent of State
 interest; that even upon such determination that compensation
 for such a temporary use easement would be nominal and that the
 costs of such proof far outweigh any possible compensation the
 State would receive in the condemnation award.

Finally the staff has no objection to the activities proposed
 and therefore submits the following recommendations.
